

ANNUAL USSF REGISTRATION RENEWAL INSTRUCTIONS

For insurance and liability reasons, it is the policy of Benicia Youth Soccer and Benicia Arsenal F.C. to referees who officiate our games to have at least a USSF Grade 8 referee license and the appropriate badge to prove current registration.

The California North Referee Association manages the USSF referee program in northern California. The online registration renewal process takes less than 5 minutes. When you do so, be sure to update "My Info" including setting the Region to "NORTH REGION".

More details of the process can be found at the CNRA web site:

Renew your licenses as soon as possible to stay current and eligible to officiate!
