

## **Multiple player and referee Financial Aid Considerations Policy**

The following policy has been evaluated, discussed, and approved by the Benicia Arsenal FC Board of Directors. This policy supersedes and nullifies any policy prior to the date noted in the footer.

Families that have multiple players, playing in either Recreational or Competitive BAFC (Benicia Arsenal Football Club) Programs, have rights to applied discounts at the time of registration.

Players cannot receive a multiple player discount if they are already receiving another form of financial aid through BAFC.

Families who have three or more players, playing soccer for BAFC , will receive a 20% discount off of the regular registration fees for that season.

Families who have an adult relative, who holds a current USSF Grassroots (or higher) referee license, and referees 5 or more BAFC games (U10-U19), in each of the fall and spring seasons, will receive a 10% refund off the regular registration fees for that entire season.

All requests for multiple player discounts and financial aid matters must be submitted to the BAFC Treasurer and Vice President for approval or denial.
